

MAXI FUN ON HONDA MINI BIKES

Honda wants to help every kid have as much fun as possible on their new Honda mini bike, so from April 14 until the end of June, new customers will be given a limited edition Honda Maxi Fun Pack.

Anyone who purchases a new Honda mini bike will receive a huge haul of “goodies” including Red Riders mini gear bag with wheels, printed quilt set, sleeping bag, watch, tent, wallet, toiletry bag, lanyard with metal logo, pencil case, stickers and activity book.

Offer is only available on the CRF50, CRF70, CRF80, CRF100, CRF150F and TRX90 retailed from April 14 to June 30, 2008 or while stocks last.

Honda offers a mini bike for every size and budget. Each model has a proud reputation for versatile riding enjoyment, rugged construction and smooth, unruffled performance that inspires fun and confidence.

The CRF range features quiet, powerful and quick-starting 4-stroke engines combined with long-legged front and rear suspensions to deliver just the right combination of lively performance and easy handling for long days—and years—of off road riding fun.

Each model also features chrome, steel-spoked wheels combined with Honda Racing styling and graphics reminiscent of the bigger CRFs so riders can enjoy all the benefits of riding a smaller version of those bikes seen in current competition.
