

HONDA
The Power of Dreams

Would you like
cash with that?

Get \$200 cashback* when you buy a portable Honda inverter generator.

Satisfy your biggest craving on your next camping holiday. Honda's range of EU series generators are whisper quiet, fuel efficient, lightweight and fully portable. And right now you'll get \$200 cashback* when you purchase the Honda EU10i or EU20i generator. But you'd better hurry – these cashback offers are only while stocks last or until 30th June 2008. For more information and dealer locations call 1300 1 Honda (1300 1 46632) or visit www.honda.com.au
